Both the framing story and the four sub-stories of Night's Lies (Le menzogne della notte) are effectively fables. The characters are intriguing but at the same time distant, while the historical setting and the slightly archaic language help to maintain a certain detachment. The setting of Night's Lies is an island fortress, craggy, volcanic, inhospitable. In its confines are four prisoners - a baron, a chivalrous poet, a soldier with a religious penchant and an student in love - all condemned for plotting against the Bourbon institutoabelincoln.coms: 6.

The night before their execution, a band of Italian criminals/rebels recount the defining moments of their life stories. Kinda Arabian Nightsish, kinda Decameron, this novel is set in the days of kings and princes.4/5.

Night Lies Lyrics: It's in your eyes lit up like fever / There in the corner of your smile / I see the lines you try to hide from me now / And a little bit / Of my heart feels / Like we're all messed.
