ANA developed the ANA Leadership with you in mind—a nurse interested in excelling in a career path, a leader within a healthcare organization who represents the interests of the nursing profession, a seasoned nurse or healthcare administrator interested in refining skills to differentiate them from the competition or to advance to the next level of leadership.

“Leadership and learning are indispensable to each other.” – U.S. President John F. Kennedy
A good nurse leader is someone who can inspire others to work together in pursuit of a common goal, such as enhanced patient care. Regardless of the leadership activity needed, it is important to act with integrity, to set realistic goals, to communicate clearly and often, to encourage others, to recognize the successes of your team members, and to inspire them to provide the best of care. AONE-American Organization of Nurse Executives. To shape health care through innovative and expert nursing leadership. Since , the American Organization of Nurse Executives (AONE) has provided leadership, professional development, advocacy and research to advance nursing practice and patient care, promote nursing leadership excellence and shape public policy for . Leadership, whether it is nursing, medical or healthcare leadership, is about knowing how to make visions become reality. 2 Nursing Times Leadership Supplement Leadership is a key skill for nurses at all levels. While this may be stating the obvious for those whose position gives them direct managerial. What makes a good nurse leader? Jeanine Frument, RN Jeanine Frument, DNP, MPA, RN, CLNC, has seen the upsides of positive, uplifting leadership in action, and shares her thoughts on what makes a good nurse leader. The editor-in-chief extends thanks to all contributors to this special focus on nursing leadership in home and community care. Thank you for leadership, thoughtful reflections and call to action.
