Feb 01, · As the book title suggests, it is the Path To Wing Chun, not the Path Through Wing Chun. It is excellent for the beginner, with all the information and background to the art that you need to know. All the techniques are true to Wing Chun, and not the modified versions that you find in the better known books (institutoabelincoln.com).Reviews: 9. Apr 05, · Covers the first form in wing chun in great detail with lots of pictures. Ideal for someone who wants to practice at home. But that's as fare as it goes. 5 out of 5 for the for the first form and a full list of all movements in the first form. The book should be called The path to wing chun First form only. Welcome to Wing Chun Path At Wing Chun Path we aim to seek, understand, and practise the real power of Wing Chun Kung Fu. Being of the Chu Shong Tin lineage we place emphasis on correct structure, releasing tension, and mind-body connection. Ken can change/improve your Wing Chun skill in just two hours. In a period of six months, your Wing Chun would not be recognizable from what it was. Having hands on practice with an expert and having the right mental concept is what makes the difference. Ken can talk Wing Chun nonstop for 24 hours a day, every day. Remarkable once-in-a-lifetime Hong Kong experience in one day.
