Beth Moore shows you how in Praying God's Word. A topical prayer guide addressing fourteen common strongholds and what Scripture reveals about each of them, Praying God's Word presents Scriptures in prayer form to be incorporated into your daily prayer institutoabelincoln.coms:

Hebrews says that God's Word is alive and powerful, sharper than a two-edged sword. When we speak and pray the Scriptures, we are coming into agreement with God, and His power is released to answer our prayers. Praying God's Word fights the fleshly battles of life using His spiritual weapons. This gives us authority in the supernatural realm to pull down strongholds (2 Corinthians).

God's words ministered to me while guiding me in a new way to pray for my daughter and the situation she was facing. This, of course, was not the first time I had used God's words to guide my prayers, but I was reminded again of the power in praying God's words.

"Praying God's Word" is the book you've been searching for when such trials come your way. Author Beth Moore "writer and teacher of best-selling books and Bible studies" has devoted much time and effort in providing verses from God's Holy Word to supply you with the prayer(s) when you are at a loss for words/5(56).
